

Wesak Celebration 2021

Wesak is an auspicious time of healing that occurs each year at the Full Moon after Easter,

There is a collective consciousness of healing offered to Mother Earth and all whose life- force she supports. This energetic opportunity is enhanced for us when we make a conscious connection with others and embrace this wonderful healing energy.

Wesak is considered such an important event that some countries in the Asia – Pacific have an official public holiday for celebration. Groups gather all around the world to connect and celebrate Wesak with a focus on Peace.

We, at The Healing House, have been connecting with Wesak for 20 years and have been blessed with wonderful healings and enhanced expansion of personal consciousness, healing, and awareness.... and it's so much FUN!!!

Mark the dates for Wesak 2021 in your diary.
